

Cee & Learn Coronavirus Statement

Due to concerns for public safety in regard to the coronavirus (COVID-19), Cee & Learn book donations & distributions, public tutoring sessions and internship trainings for the foreseeable future have been cancelled.

At the same time, we are collaborating with local nonprofits, Foundations, and donors to identify area needs and coordinate resources. We are actively assessing the needs of the communities we serve, and are poised to provide assistance virtually in a variety of areas.

The most fundamental instructions we can provide to our community members helping one another are the directions provided by the CDC (Center for Disease Control) and WHO (World Health Organization), local and government officials, which are as follows:

- *Wash your hands often with soap and water for at least 20 seconds especially after you have been in a public place, or after blowing your nose, coughing, or sneezing.
- *If soap and water are not readily available, use a hand sanitizer that contains at least 60% alcohol. Cover all surfaces of your hands and rub them together until they feel dry.
- *Avoid touching your eyes, nose, and mouth with unwashed hands.
- *Avoid close contact with people who are sick
- *Put distance between yourself and other people if COVID-19 is spreading in your community. This is especially important for people who are at higher risk of getting very sick.
- *Stay home if you are sick and call your doctor for next steps.

Although these are simple actions, you are taking a step in limiting the spread of illness in our community.

Sincerely,

Cee Strickland

Executive Director of Cee & Learn
